

Fisher CW-10 Hand-Held Security Metal Detector

Designed to safeguard security sensitive areas such as schools, courtrooms, correctional facilities, sporting events, nightclubs, and other public events.

The CW-10 provides precision locating for all types of metal in a highly durable package. The CW-10 gives you the choice between an audio alarm or silent vibrator alarm, and provides an optimum sensitivity level for all your security needs. With no tuning required, the CW-10 is easy to use and serves as an effective locator for unwanted metal objects. Backed by Fisher's 2 year warranty.

Designed for stand alone use or in conjunction with Fisher MScope Portable Walkthrough Metal Detector.
